PARENTS' ROLE AND COMMITMENT

We are committed to seeing our students excel academically and we recognize the vital role of parents in achieving this goal. We ask that parents and guardians take an active role in the supervision of their children's work to ensure that their academic work is at the optimum.

Also very important is the need for parents to follow the fee payment schedule diligently this academic year. We need your support especially in this regard to run the school.

We have the best complement of Graduate trained teachers with the support of BECE examiners and it is important that we do not frustrate them.

COVID-19 PROTOCOLS AND SAFETY MEASURES

Day students are expected to be properly masked **every day**. On arrival at the school every morning, they will be expected to wash their hands at the gate and go through a temperature check as well. Please provide your ward with hand sanitizer.

Parents are encouraged to give their children who are coming into the boarding house enough nose masks as well as a bottle of hand sanitizer. The nose masks must be marked clearly with the names of the students. Parents should kindly educate their children on the need to remain masked and observe all the safety protocols at all times.

Parents who are able to support the school with gifts of Thermometer guns, Veronica buckets and Sanitizer or Soap dispensers are welcome to do so. These would be greatly appreciated.

GRADUATION

Our annual Graduation ceremony will take place at the school on Saturday, December 11th, 2021. Classes involved are KG 2, Basic 1 and JHS 3.

- All non-graduating classes will pay GH¢50 for provision of food pack for parents and students.
- Graduating classes KG 2 and Basic 1 will pay GH¢100. JHS 3 will pay GH¢200.

Graduating students and prize winners may come along with no more than 2 guests. This is to allow us to observe Covid-19 social distancing protocols.

OTHER INFORMATION TO TAKE NOTE OF:

Closing time for Pre-School

Closing time for Pre-School is 2pm for this term. It has become necessary to extend their closing time from 12 noon to 2pm to allow the teachers more time for teaching and learning. Parents may pick up their children from 2pm. There will be a teacher on duty who will stay with them until 4pm.

Blessed Schools Complex website

Please check out our new website at blessedschoolscomplex.edu.gh

Newsletters and other relevant notices and information will be posted there also. We encourage parents to regularly check the website and to share the link with others as well to help advertise the school.

Correspondence via WhatsApp

The School sends messages [such as reminders and various alerts] to parents via WhatsApp. Every class has a platform. Unfortunately, not all parents receive these messages from the School.

In order to receive some of these notices and reminders, please send a WhatsApp message to **050 460 3644** with the following details: **Full name of ward, class and relationship with student.**

We are trusting God for a successful term. He who has seen us through the past years will continue to do so!

*Though I walk in the midst of trouble, You preserve my life.
You stretch out Your hand against the anger of my foes; with Your right hand You save me.*

Some Parents have indicated that it is not necessary to send JHS 3 children home for the mid-semester break. Please indicate to the MD (Mama Vida) if you would like your ward to remain in the school during the break.

- **B.E.C.E. 2021**

The final year exams for Junior High 3 students will take place from Monday 15th to Friday 19th November, 2021.
